PROJECTS

MindBridge Mobile Application

2025

- A 24/7 AI-powered mental health support app with an AI chatbot for real-time assistance. Features include anonymous support, mood tracking, crisis intervention, and a secure community platform to enhance user well-being.
- Technologies Used: Dart, Node.js
- Version Control Tools: GitHub

Estate Agent Client-side Web Application

2025

- Developed a web application that enabled users to search properties from a JSON file with a user-friendly and accessible interface.
- Technologies Used: React JS, HTML 5

Responsive landing page UI Designs

2025

- A fully responsive landing page designed for a coffee subscription service, focusing on user experience and visual branding.
- Tools Used: Figma

Green Steps Mobile Application UI Designs

2024

- Designed UI layouts and mockups for an eco-friendly app that promotes sustainable habits, focusing on user experience and visual appeal.
- Version Control Tools: Figma

Real-time Ticketing System

2024

- Built a real-time event ticketing system for seamless event booking and management with both a command-line interface and a graphical user interface.
- Technologies Used: Java, Node.js & React

Personal Finance Tracker

2024

- A Python app for tracking expenses and income with a Tkinter interface, built using OOP principles for easy maintenance.
- Technologies Used: Python

Student Management System

2024

- A Java software for managing student data with smooth file handling using Java I/O libraries.
- Technologies Used: Java

CERTIFICATIONS

- Competitor in Hult Prize

February 2025
- Volunteer in the IEEE Prestige Event

February 2025

LEADERSHIP SKILLS

- Senior Prefect - Sirimavo Bandaranaike Vidyalaya Prefect Board

2021 - 2022
- Senior Prefect - Sri Devananda Dhamma School
